Quality Policy Statement

Our company is committed to innovation, change and progress. Our goal is to steadily increase our market share whilst continuing to provide our present customers with efficient, competitively priced services. Our detailed objectives and goals are defined through the management review process and monitored by key performance indicators.

Based on the outturn of the key performance indicators, Brennan and Company have a proactive, continuous improvement scheme in place.

The Directors of Brennan and Company are totally committed to the above policies and a well planned, ongoing education and training program has now become an integral part of our Company's operations.
